

## Mary's Mount School Song

### Chorus

We are the kids from Mary's Mount  
We travel here from all around  
It is the Truth that makes our school  
And happiness is our golden rule.

Happily, cheerfully gathering together  
Boys and girls we smile  
Peace will reign on this great hill  
For every special child

### Chorus

Many years ago the Sisters came together  
To make this school their dream  
Now we stand here to clap and cheer  
It's the best we've ever seen

### Chorus

Vigilate, vigilate orate  
Vigilate, vigilate orate  
Vigilate, vigilate orate  
Vigilate, vigilate orate

### Chorus

Set up high on a hill so bright  
Surrounded by our friends  
Our love of God will always stay  
As we remember when

We were the kids from Mary's Mount  
We travelled here from all around  
It is the Truth that made our school  
And happiness was our golden rule.

### Chorus
