

## Wishing you a Safe & Holy Easter

Easter assures us that God never gives up on us, even if we give up on our-selves. The challenge of living out the message of Easter means not just believing that Jesus rose from the grave, but to believe that no matter our age, mistakes and wounds, we can begin each day afresh.

We are human and we cannot avoid falling into depression, bitterness and the tiredness that comes from age. Like Jesus, we too will have our crucifixions. Yet our faith in the Resurrection invites us precisely to live beyond these.

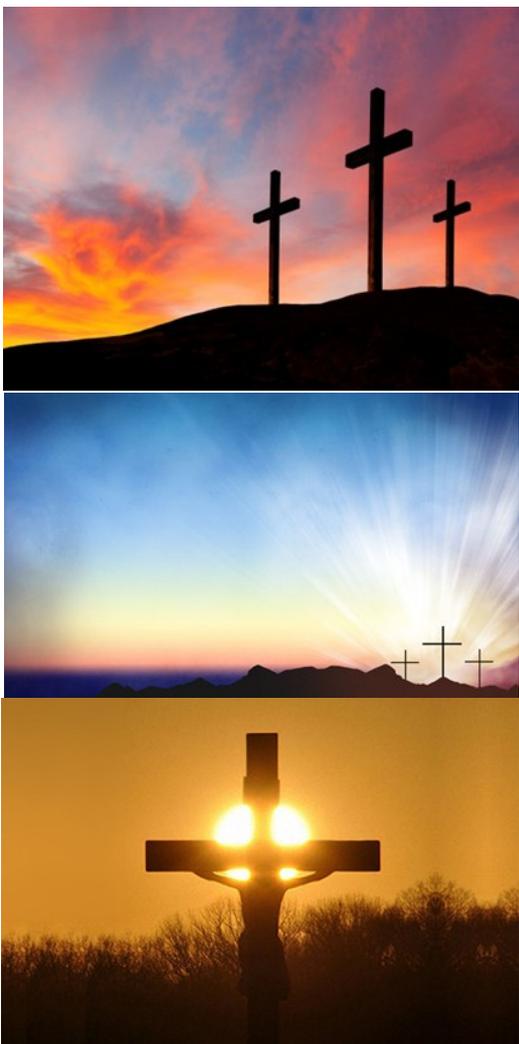

Belonging to our parish community supports us in our crucifixions, which come to us in life. As a parish community, we accompany each other day by day; not just on Sundays but every day. An anonymous writer puts it well; –*What the Resurrection teaches us is not how to live – but how to live again, and again, and again.*

I spoke to all the children at our assembly this morning and told them to take time over the next few days and reflect on the events that took place over Holy Week.

I also encourage you all within your own families to do the same. Below are the times for Mass at Holy Family Church for you.

On behalf of the staff, I would like to wish all our school community a safe and Holy Easter.

**Sandro Coniglio**  
Principal

## Congratulations to Our Easter Raffle Winners & Thank you for Supporting our Fundraising

A very special thank you to all of our families who have supported the Easter Raffle via the purchase of raffle tickets and bringing in Easter eggs. **We raised \$742.90!** Proceeds from the Easter raffle are being sent to Saint Vincent's Boy's School in Sri Lank to help them fund the purchase of a photocopier—something we are blessed to have several of at Mary's Mount Primary School. We will be sure to keep you up to date on this and share some photos when we can. At the same time, we would like to congratulate all of our Easter Raffle Winners. We hope you enjoy your winnings!
