Welcome Back To Term 3!

Welcome back to Term 3. We are officially half way through the year. I hope everyone enjoyed their holidays and break. It is great to see everyone back and straight into the term. At school we have had a few staff meetings this week to finalise a few items. One of these items was our Term 3 Planner. The updated Term Planner is attached to this email, a hard copy will be sent home today, and it can also be found on our website www.mmmps.wa.edu.au. I encourage you to pop it on your fridge for easy reference. You will notice there are a few changes, so keep an eye out for these.

Change of Assembly Dates

Over the last term we have reviewed our school assemblies. Traditionally we have held these on both a Monday (weekly) and Wednesday (fortnightly). The length of assemblies, as well as feedback from both parents and staff has been taken into careful consideration. As a result, we have decided to combine both assemblies. Commencing next week, assemblies will be held every Friday morning at 9am. Every second assembly will include a class performance. Thank you for your feedback and understanding.

Sacraments

This Term our Year 6 students will be celebrating the Sacrament of Confirmation and our Year 4 students the Sacrament of Eucharist. Parent workshops are scheduled for both of these classes and it is important that parents attend these workshops as part of the preparation for these Sacraments. I also ask all families to please keep these students in your prayers as they prepare with their teachers for these celebrations.

Waste Wise School

At the end of last term, information was included in the school newsletter about becoming a Waste Wise School. The first part of this process is a waste audit which will be taking place next Friday by our Year 4 and Year 5 classes. Some information on this project will be presented at next week's Assembly. We look forward to sharing this with you.

Free Milk for Students this Term!

During Term 3, Brownes Dairy is celebrating its 130th Anniversary. As part of the celebrations, each student will receive a FREE milk carton on Wednesdays starting next week until September. The milk will be handed out to students during *crunch n sip*. If your child requires soy milk, or you have any questions, please contact the office before next Tuesday 26 July.

Swimming Questionnaire

Please take a few minutes to complete the swimming lesson questionnaire that was emailed home yesterday. Your feedback is appreciated. <https://www.surveymonkey.com/r/D8KZ68P>

P&F Sportsman's Night: Saturday 20 August

Order forms for tickets are available from the school office. Book your table now! It will be a great night!

Congratulations to Natasha & Chadd on their Wedding!

As you know, during the holidays, our Year 3 teacher Natasha Morisco headed off to Italy to get married. Natasha and her husband Chadd celebrated the occasion with family, friends and ice cream in a little village called Ascoli Piceno that was a special place to her family. Congratulations Natasha and Chadd!!
