

Mary's Mount Primary School FLOW OF CONCERN FOR STUDENTS

STUDENTS

Students have the right to seek appropriate adult support at any time; however, if possible it is better for the students to seek the immediate teacher available.

If during class...

If outside of class time (lunch/recess or before/after school)...

If there is an issue with members of the school staff.

If the issue has gone to a teacher but is still continuing.

If help is needed, but no teachers can be found students may seek...

If the issue is with the school, and further support is needed.

REMEMBER – Every student may seek any school staff at any time if they feel they need assistance.
