

LESSON DELIVERY DURING A SCHOOL CLOSURE

Seesaw is a tool to enhance communication between school and home. It allows for streamline communication and the sharing and showcasing of student learning.

Teachers shall be available via Seesaw to communicate with parents and students during normal scheduled school times. **Teachers** will record attendance, marking students present. **Students** will be provided work by their class teacher via handouts or Seesaw.

Parents to ensure supervision of students and if required, provide safe access to the internet.
