CLAIMS PROCEDURE

To ensure that your claim is dealt with as quickly as possible, it is important to follow a few simple steps:

1. Report the accident as soon as possible to school administration.
2. Pay all medical and other accounts as the insurer will not pay those on your behalf.
3. Make your Medicare claim.

   Student Accident Insurance includes coverage for non-Medicare medical expenses (when the accident happened during school or organised sporting activities). Any portion of any expense for which a Medicare benefit is paid or payable, including the balance of monies you have to bear after deduction of any Medicare benefit or rebate from the actual expense incurred (commonly known as the 'Medicare gap'), is unable to be reimbursed under this or any other general insurance. It is in fact a breach of the Health Insurance Act to reimburse such costs.

   All claimable non-Medicare medical expenses need to be for treatment, certified necessary by a legally qualified medical practitioner, to a registered private hospital, physiotherapist, chiropractor, osteopath, nurse or similar provider of medical services excluding the cost of dental treatment unless such treatment is necessarily incurred to sound and natural teeth, excluding dentures, and is caused by the accident.
4. Make Private Health insurance claims, as the insurer's obligation is only for any portion not covered by Private Health.
5. Complete this School student accident claim form (note that there is a section to be completed by the school).
6. Ask the attending doctor to complete the Medical practitioner's statement.
7. Send all completed documents and any accounts and receipts in support of out of pocket expenses claimed direct to Chubb.
