Message from the Principal

I am pleased to share with you our Catholic Primary School's Three-Year Strategic Plan. This plan reflects our shared commitment to nurturing the academic, spiritual, and personal growth of each child entrusted to our care.

Rooted in the teachings of Christ and Catholic values, our strategic goals are designed to ensure that every student experiences an education rich in faith, learning, community, and stewardship.

Our Mission and Values at the heart of our school support a strong belief in the importance of holistic education. We are called not only to foster academic excellence but also to shape young hearts in the spirit of love, respect, and service to others. Our mission is to help every child recognise their God-given gifts and use them to make a positive difference in the world.

The success of this plan depends on the collective efforts of our entire school community—students, parents, staff, and parish. Together, guided by faith and focused on the future, we will continue to build a vibrant learning community that nurtures the potential of every child.

I invite you to join me in this exciting journey of growth, and I thank you for your ongoing support and dedication to our school's mission. May God bless our work, and may we remain ever faithful to the call to serve, learn, and lead with love.

Yours in Christ,

Emma Bell
Principal
